Sir Robert Falconer,
Toronto University,
Toronto, Canada.

My dear Sir Falconer:

According to the By-Laws of the Association of Collegiate Alumnae eachcollege or university whose graduates are eligible to the Association has the right to appoint a woman from its Faculty or Governing Board to act as a councillor to represent the interests of the institution in the Council, which is the directing body of the Association.

It has been the custom in the pastto have the President of each accepted university or college appoint this councillor. Will you be kind enough to name a councillor to represent Toronto University at the next meeting of the Association, which will be held in Cleveland, April 8-9-10, 1920. The councillor so appointed has a term of two years, but any councillor may be reappointed as often as desired, and when she is unable to attend a particular meeting, may have an alternate appointed to serve in her place. Your councillor last year was Miss May Hurd Skinner.

May I beg the courtesy of a word from you to me direct, giving me the name and address of the woman whom you appoint in order that I may put her name on my list and that she shall thus find herself expected and duly accredited at our council meeting.

I am enclosing a tentative program of the meeting.

Thanking you in advance for your courtesy, believe me with regards,

Sincerely yours,
Gertrude S. Martin,
Acting Executive Secretary.
